

HAPPY HOLIDAYS FROM NAMFS

NEW Website Functionality: Property Registration Ordinances

Property Registration Ordinances are difficult to track and new municipalities are added frequently. NAMFS has partnered with member company, Property Registration Services, to make this a bit easier.

NEW Member 2 Member Benefit: V-ALERT FOR NAMFS

Weather and its impact on properties in our industry is a daily concern. NAMFS is excited to announce a partnership with EARTHVISIONZ which will provide members access to this weather reporting and tracking tool.

NAMFS Members will be able to:

- See weather alert watches, warnings, and severity by location for: Snow, Floods, Wildfires and much more
- See alert boundaries on the map
- Search by address, county, zip code or alert type
- Property measurement tool: find the square footage
- Access Street View

NEW Member 2 Member Benefit: Vendor Surf

Vendor Surf is the only B2B vendor search engine in our industry. NAMFS has negotiated an exclusive deal for our members when listing your services and/or running a banner ad. **Act soon, as this is a limited time offer, ending March 15, 2019.**

If interested in the discount, you will need to login to your NAMFS account to access more information and the special offer discount code.

Opportunity For A Free 2019 Conference Attendee

Renew your NAMFS membership before January 15th, 2019 and your company will be entered in a drawing for: One complimentary registration for the 2019 annual conference!

If you have any questions please contact NAMFS (888)292-6831 or email admin@namfs.org

Your Opinion Matters

Please take a moment to take our quick membership survey! Your feedback will help ensure NAMFS is meeting our members needs.

ALLIANCE

The NAMFS Code Enforcement and HOA Solution was conceived and developed by the NAMFS Leadership Team with significant input from members and industry professionals nationwide with the goal of providing users with a simple Web-based solution for addressing their at-risk property issues.

[ADD A PROPERTY REPORTED PROPERTIES](#)

Know this – The Top-2 most visited vendor categories, which account for 16% of all site traffic, are REO Asset Management and Property Preservation & Management

Want to learn more? Vendor Surf will host a free webinar for NAMFS members only on December 19, 2018, at 11:00 AM Eastern. You must register in advance – [Webinar Registration](#)
