

James R. Duncan Memorial Scholarship

This Scholarship is given in honor of James R. Duncan, long-time NAMFS member and friend. James Duncan serviced the preservation and maintenance REO market since being awarded his first contract with HUD in 1983. James established Metro Nationwide and continued operating for several clients through 2011, establishing a reputation for excellence in service. James was proud to participate in rehab of HUD homes in 2005 under a program to assist hurricane Katrina victims with housing. He acquired and shared valuable knowledge with others as an industry leader and supporter of preservation contractors with the NAMFS organization.

James was a great friend to many industry associates through the years. James loved all sports and particularly enjoyed a challenge in golf. James had a passion to help others, to make a difference, to make life better, and he did! In his memory, this Scholarship will provide financial assistance to qualified students beginning in 2013.

This Scholarship will be given annually to a qualifying student who best demonstrates their ability and passion to make a difference in life.
